

# Two Days Training Program on Insolvency & Bankruptcy Code (IBC) for Asset Resolution

## Training Brochure

The Insolvency and Bankruptcy Code (IBC) 2016 has become a key tool for resolving corporate distress in India. It offers a time-bound and efficient framework, balancing the interests of all stakeholders. Over the years, amendments based on judicial decisions and stakeholder feedback have strengthened the Code, making it a vital part of improving ease of doing business and fostering a healthier corporate environment.

Recognizing the critical importance of a comprehensive understanding of the IBC for various stakeholders, EGROW Foundation has designed this two-day training program. This program aims to equip participants with the conceptual knowledge and skills necessary to effectively navigate the complexities of the IBC and contribute towards its successful implementation. Through a combination of theoretical insights and practical case discussions, the program will provide participants with a deeper understanding of the IBC framework and its practical applications.

This training program has been designed for individuals/corporates seeking to enhance their knowledge and expertise in insolvency law and contribute to the effective resolution of distressed assets in India.

## Target Audience

- **Banking & Financial Sector:** Legal/Recovery/Credit Officers from Public & Private Sector Commercial Banks, Co-operative Banks, Central & State Financial Institutions.
- **Professionals:** Professionals specialising in insolvency law, CA, ICWA, Economists, scholars, and teaching faculty.
- **Corporate & Industry Leaders:** Corporate executives managing distressed assets, financial advisors, and consultants.
- **Policy & Regulatory Professionals:** Representatives from regulatory bodies and policy advisors including MSME working on insolvency reforms.
- **Key Stakeholders:** Insolvency Professionals (IPs), members of the Committee of Creditors (CoC), and researchers in insolvency process and financial restructuring.

## Program Objectives

This training is designed to equip participants with the knowledge and tools required to navigate the complexities of the Insolvency and Bankruptcy Code (IBC) effectively. The key objectives are:

- i. **Deep Understanding of the IBC Framework:**  
Offer a comprehensive understanding of the IBC, its framework, and pivotal role in driving efficient insolvency resolution and maximizing asset value.
- ii. **Clarify Stakeholder Roles and Responsibilities:**  
Illuminate the functions and responsibilities of critical stakeholders, including the Insolvency and Bankruptcy Board of India (IBBI), National Company Law Tribunal (NCLT), National Company Law Appellate Tribunal (NCLAT), the Committee of Creditors (CoC).
- iii. **In-depth Exploration of Insolvency Processes:**  
Provide a detailed examination of the Corporate Insolvency Resolution Process (CIRP), emphasizing the roles of Resolution Professionals (RP) as well as the procedures and intricacies of liquidation.
- iv. **Practical Application of Asset Distribution Principles:**  
Equip participants with the skills and knowledge to effectively apply the principles of asset distribution, ensuring compliance with the IBC framework in real-world insolvency cases.
- v. **Insights into Landmark Cases and Emerging Trends:**  
Introduce participants to significant case laws and provide an understanding of contemporary and emerging topics; including cross-border insolvency and the evolving role of homebuyers in insolvency proceedings.

This training program aims to bridge the gap between theoretical knowledge and practical application, empowering participants to address challenges effectively and drive successful outcomes in the field of insolvency and bankruptcy.
