

One-Day Training Brochure on Regulatory Compliances for NBFCs

Introduction:

Non-Banking Financial Companies (NBFCs) play a pivotal role in India's financial sector by extending credit and financial services to various segments of the economy. However, with evolving regulatory frameworks, ensuring compliance with statutory and regulatory mandates is critical for sustainable operations. The Reserve Bank of India (RBI) has introduced stringent guidelines to enhance governance, risk management, and overall regulatory compliance within NBFCs.

This training program is designed to equip participants with a deep understanding of regulatory requirements applicable to NBFCs. It will provide insights into best practices for compliance, risk management strategies, and practical approaches to align with RBI regulations effectively.

Target Audience:

This training program is designed to benefit a wide range of professionals, including:

- a. **NBFCs, MFIs, and HFCs:**
 - i. Chief Compliance Officers
 - ii. Officers and Managers within Compliance Departments
 - iii. Personnel in Secretarial Departments
 - iv. Staff in Audit Departments
 - v. Individuals in Accounts Departments

- b. **Professionals Serving NBFCs:**
 - i. Company Secretaries
 - ii. Chartered Accountants
 - iii. Auditors
 - iv. Credit Analysts
 - v. Risk Analysts
- c. **Financial Institutions and Corporates:**
 - i. Finance Managers of corporations interacting with NBFCs
 - ii. Credit Auditors of large NBFCs
 - iii. Officers in wholesale and retail banking divisions of NBFCs
 - iv. Funds and DFIs.

Overall Training Objective:

To equip participants with a comprehensive understanding of RBI regulatory compliance requirements for NBFCs and provide them with practical tools and techniques to strengthen their compliance functions.

Specific Training Objectives:

- a. **Understanding Regulatory Framework:**
 - i. To provide a detailed overview of the core principles and specific requirements of RBI guidelines applicable to NBFCs.
 - ii. To clarify the definition and implications of "compliance risk" for NBFC operations.
- b. **Strengthening Compliance Functions:**
 - i. To enable participants to identify and understand the key responsibilities of the Compliance Function within an NBFC.
 - ii. To enhance participants' ability to ensure meticulous adherence to statutory and regulatory mandates.
 - iii. To improve the participants knowledge on how to maintain market conduct standards.
 - iv. To give the participants knowledge on how to manage conflict of interest.

- v. To teach the participants to ensure fair customer treatment.
- vi. To enable the participants to ensure appropriate customer service.
- c. **Mitigating Compliance Risk:**
 - i. To provide practical techniques and tools for identifying, assessing, and mitigating compliance risks.
 - ii. To equip participants with strategies for preventing and addressing non-compliance with RBI guidelines.
- d. **Practical Application:**
 - i. To facilitate the application of learned concepts through case studies and practical exercises.
 - ii. To provide participants with actionable insights that can be implemented in their daily work.
- e. **Knowledge Enhancement:**
 - i. To enhance the knowledge of the participants on the current regulatory environment.
 - ii. To enhance the knowledge of the participants on how the regulatory environment affects the NBFCs.
